

Existence

Which chakra does the following piece of writing relate to? _____

EXISTENCE

You are not accidental.

Existence **NEEDS** you

Without you, something will be missing in existence and nobody can replace it.

That's what gives you **DIGNITY**, that the **WHOLE** existence will miss you.

The stars and sun and **MOON**,
The **TREES** and birds and earth
– everything in the **UNIVERSE**
will feel a small place is vacant
which cannot be filled by anybody
EXCEPT YOU.

Osho
